Dear Parents and Guardians,

Welcome to the 2026–2027 school year at Eneida M. Hartner Elementary. It is with great pride and excitement that I welcome you aboard for another year of learning, growth, and community. This year, our schoolwide theme is:

Destination Success: Leading the Flight to Excellence

This theme reflects our belief that every child deserves a clear, supported, and joyful path toward achievement. At Eneida M. Hartner Elementary, students are not just learning — they are preparing for futures filled with possibility. Every teacher, staff member, and family plays an essential role in guiding their flight.

This year begins with a milestone worth celebrating:
Eneida M. Hartner Elementary is officially a "B" rated school — our first time since 2019.

This accomplishment represents years of determination, resilience, and teamwork. It reflects your children's hard work, our staff's unwavering commitment, and your partnership in their education. When we look at our school report card, we see more than numbers — we see altitude gained, learning lifted, and a community rising together.

As we embark on the 2026–2027 school year, we are ready to climb even higher. Our focus will remain on strong instruction, positive school culture, attendance, enrichment, and ensuring every child feels safe, valued, and capable of excellence. Together, we will continue to build a school where students dream boldly, work confidently, and soar toward bright futures.

Thank you for trusting us with your children. Thank you for being part of our journey. And thank you for helping us make Eneida M. Hartner Elementary a place where success is not just a destination — it is a daily commitment.

Fasten your seatbelts, families.
The 2026–2027 school year is cleared for takeoff.

Sincerely,

Maria L. Paul
Principal
