August 13, 2026

Dear Parents and Guardians,

Welcome aboard the 2026–27 school year! As we launch this new academic journey, our team is fully committed to guiding your child toward their ultimate destination: academic excellence and personal success.

Achieving destination success requires a strong partnership between home and school. Here is how you can help steer your student toward success this year:

- **Track the Route:** Monitor your child's academic progress regularly. Access your child's grades via the Parent Portal. We will be sharing results of progress-monitoring assessments throughout the year.

- **Maintain Open Communication:** Connect frequently with your child's teachers to celebrate progress and address any detours early. Our faculty uses Class Dojo.

- **Join the Crew:** Take an active role in our school community by joining the PTA or signing up as a school volunteer.

With clear goals, consistent teamwork, and dedicated support, we will ensure every student reaches a brighter, more successful future. Thank you for partnering with us for an incredible voyage ahead!

Sincerely,

Anailene Marban, Ed.D.
Assistant Principal

SCHOOL VISION

We provide a high quality education for our students.

SCHOOL MISSION

To foster a learning environment that sets a strong academic foundation that prepares students to excel in their educational and career goals.

Biography of Eneida Massas Hartner

Eneida Massas Hartner was born February 12, 1943 in San Lorenzo, Puerto Rico. When she was 6, her father found work in the steel mills of Gary, Indiana and the family moved. In the early 1960s, she worked as a school secretary while taking college classes. She graduated with degrees in education and Spanish literature and started teaching Spanish to high school students in Indiana.

In 1970, she and her husband Roger moved to Miami. Mrs. Hartner began developing programs for Miami-Dade County Public School's (MDCPS) bilingual education department, eventually becoming project director. When MDCPS began a pilot program for bilingual education, Mrs. Hartner wrote Spanish curricula for elementary schools and traveled the country, training other teachers. The bilingual curricula she first developed for elementary schools in MDCPS were later implemented in other states. "She was always interested in the growth of students, in teaching them how to read, as well as for keeping everyone on task with a loving heart", her husband said.

Mrs. Hartner later served as principal of Buena Vista Elementary from 1978-1980. She was the first woman, Puerto Rican, elementary school principal. In her last position as a North Central Area director, she oversaw certain schools in Northwest Dade.

In 1986, she was diagnosed with cancer. She continued working until last March, when she took disability retirement. She used nutrition, mediation, exercise (walks on the beach) active family, social and spiritual life, and healing prayer to live with multiple myeloma. Mrs. Hartner passed away on February 19, 1989 at the very young age, 46.

Clinic

Eneida Hartner Elementary has a clinic that is operated by **Health Connect (University of Miami School Health Initiative)**. They support our students with any health care needs that they may have.

Closing of School

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Code of Student Conduct

The School Board of Miami-Dade County, Florida, approved The Code of Student Conduct (COSC). The COSC focuses on providing and maintaining a safe and positive learning environment for students, faculty, staff and community.

A major consideration in the application of the COSC is cultivating a positive school climate to support academic achievement, promote fairness, civility, acceptance of diversity, and mutual respect. Toward that end, the range of inappropriate behavior is divided into five groups, along with both recommended and mandated corrective strategies.

The COSC addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures. Furthermore teachers, counselors and administrators work to use a variety of progressive corrective or guidance strategies to correct the inappropriate behaviors.

Differences in age and maturity are recognized in determining the types of corrective strategies to be taken. However, the procedures outlined in the COSC apply to all students under the jurisdiction of Miami-Dade County Public Schools. The COSC is in force during regular school hours, while students are being transported on a school bus and at such times and places – including but not necessarily limited to school-sponsored events, field trips, athletic functions and other activities – where appropriate school administrators have jurisdiction over students.

Principals are authorized to take administrative action whenever a student's off-campus conduct poses a threat or danger to the safety of other students, staff, School Board members, any other members of the District Community, or school property, or when the student's off-campus conduct has a substantial adverse impact on the educational environment requiring disciplinary action. Types of behaviors range from acts that disrupt the orderly operation of the classroom, school functions, and extracurricular activities or approved transportation to the most serious acts of misconduct and violent actions that threaten life.

The Code of Student Conduct outlines expected student behavior and a multitude of corrective strategies should misconduct occur.

The COSC addresses students' rights and responsibilities pertaining to the right to learn; attendance; students' records; grades; free speech, expression and assembly; and publications. It also outlines parents' rights in regard to assuring their child's opportunity for an education.

Students or parents having problems interpreting the COSC should address concerns through the school principal. Additionally, should the concerns not be resolved at the school level, an appeal can be made at the region office and subsequently to the District.

The Code of Student Conduct can be accessed by going to the following website: codeofconduct.dadeschools.net If you do not have access to the Internet, you may go to your child's school and request to review the Code of Student Conduct.

Please take the time to review and discuss the importance of the *Code of Student Conduct* with your child or children. After reviewing the *Code of Student Conduct*, you and your child/children must sign, date, and return the *accompanied* Parent Receipt and Acknowledgement Form to your child's school within 5 school days.

These services focus on the elimination of social and emotional barriers that inhibit students' academic success and prepare students to be college and career ready.

The Comprehensive Student Services Program supports student achievement through effective prevention, intervention, and crisis response services. For more information, please contact the Division of Student Services, at 305-816-0436.

Discrimination/Harassment

Students are encouraged to promptly report incidents of discriminatory or harassing conduct to their principal or the Office of Civil Rights Compliance (CRC) so that the conduct can be addressed before it becomes severe or pervasive, or persistent. For more information, please contact CRC at (305) 995-1580 or visit http://hrdadeschools.net/civilrights.

The School Board has also adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and chronically inflicting physical hurt or psychological distress on one or more students. Complaints of bullying should be reported to the principal promptly. You may also contact the Bullying/Harassment Helpline, staffed by the Division of

Student Services at the District office. They can be reached at 305-995-CARE (2273). The Helpline is staffed from 7:30 a.m. – 4:00 p.m., Monday through Friday.

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school and/or the Office of Educational Services and ESE at ESE@dadeschools.net. Staff from the Office of Educational Services and ESE and/or your child's school site administrative team will help to answer your questions. Additional information may also be found at http://ese.dadeschools.net/.

Fieldtrips
All fieldtrips must be approved by the principal and/or Region Superintendent, as applicable. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance.

Homework
Principals are encouraged to work with teachers and parents to implement guidelines found in Homework Policy 2330. Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s).

Homework Plan

- **Purpose:** Home Learning is any activity or assignment developed by the teacher to be completed beyond the school day that may include practicing skills learned in class, checking for mastery, reading, studying, projects, or completion of assignments. Home Learning is carefully constructed to be completed within a reasonable time frame with minimal adult help. Home Learning supports positive study habits.

- **Consistency:** In pursuit of a balanced life for students after school that supports family activities, recreation, and other extracurricular experiences, homework will comply with district timeframe guidelines with similarity between teachers at each grade level. Weekends and holidays are primarily reserved for family time. Students may elect to use weekends to review, make up work, complete projects, and enjoy recreational reading and/or computer time.

- **Choice:** Whenever possible, home learning will offer opportunities for students to select an assignment or some component of an assignment. Students may be asked to explore subject matters of interest. Teachers will work together as a grade level to coordinate the dissemination of assignments to ensure home learning confirms with the district's timeframe guidelines per grade level.

- **Timeframe**

GR	DISTRICT TIMEFRAME GUIDELINES	
K-1	30 minutes	30 minutes of recreational reading
2-3	45 minutes	
4-5	60 minutes	

- **Grading:** Home Learning will be reviewed and discussed in a timely manner. Teachers may elect to grade certain home learning assignments for accuracy and completion. Specific grade level home learning policies will be communicated to parents at the beginning of the school year.

- **Communication & Support:** Home Learning assignments will be clearly explained to students in class and whenever possible will be an extension of classwork to ensure students understand the assignment. Students will be assigned homework buddies to work with or call for help. A few minutes of class time will be set aside to review homework and/or answer questions related to homework assignments.

- **Parents Role:** To help their children, all parents/guardians should:
  - Provide a suitable place for study, free from distraction.
  - Encourage their child and offer suggestions but insist that the student do his/her own work.
  - Participate eagerly in assignments that call for active parental involvement.
  - Check to see that homework assignments are completed.
  - Express interest in what the student is learning.
  - Assist in balancing homework with other activities.
  - Talk with the teachers if assignments seem to cause students continuing problems.

Parents that would like to express concerns regarding any educational/library materials may file on objection regarding non-adopted instructional and library/media center and other educational materials by visiting the Instructional Materials link under the parent tab at their school's website or by clicking on the Instructional Materials link on the Dadeschools website.

LGBTQ Support

Every student has the right to learn in a safe and accepting school environment and schools have a responsibility to provide a safe and nondiscriminatory environment for all students. M-DCPS has established the Students Allies for Equity (SAFE) Network with liaisons in every school who are trained to ensure that all students have access to all aspects of school life in ways that preserve and protect their dignity.

The programs in place provide prevention initiatives, intervention services for students, and family support for students who may be experiencing a mental health challenge. Students in need of intensive services can receive support from contracted agencies at no cost to families. For assistance contact your child's school, the Parent Assistance Line at (305) 995-7100 or visit https://mdcpsmentalhealthservices.net/ .

School principals shall make a reasonable attempt to notify a parent of a student before the student is removed from school, school transportation, or a school-sponsored activity to be taken to a receiving facility for an involuntary examination and school or law enforcement personnel must make a reasonable attempt to contact a mental health professional prior to initiating an involuntary examination, except where there is an imminent danger to the student or others.

- **Connection Newsletter**

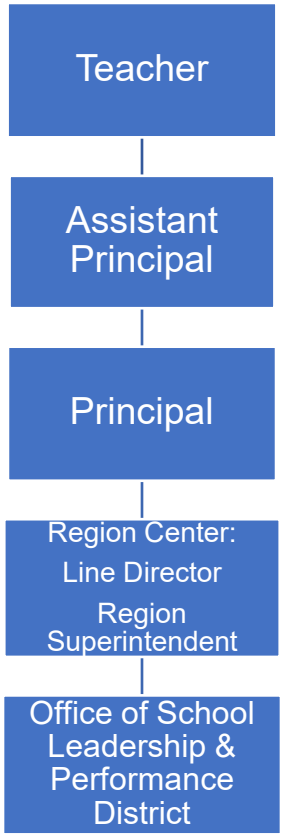
Prekindergarten Programs

M-DCPS offers a variety of prekindergarten programs throughout the District. Parents should contact their home school for the available options for Pre-K students. Specifically, for VPK, parents can visit the Parent Portal and apply for any available VPK program with open seats through the SchoolMint application. For additional information on VPK or Head Start/Early Head Start Programs, parents may contact the Department of Early Childhood Programs at 305-995-7632. Parents may also access information at mdcpsearlychildhood.net or ESE.dadeschools.net. Families should also feel welcome to reach out to us at ESE@dadeschools.net with questions and concerns.

Protocol for Addressing Parental Concerns

Parents may generally address their complaints or concerns to the school administration, which may be followed by Region and District department review as deemed appropriate. For issues involving an individual teacher or class, parent/guardian should contact the following individuals starting at the school in the order below.



Public-Private Collaboration
Requests for private instructional personnel to collaborate with public instructional personnel in the educational setting should be directed to the principal for application of District procedures.

Recess
Recess is supervised, unstructured playtime where children have choices, develop rules for play and release energy and stress. Recess will be conducted outdoors when weather permits. In the case of inclement weather, appropriate recess activities will be conducted indoors.

Schools shall provide at least 100 minutes of supervised, safe, and unstructured free-play recess each week for students in kindergarten through grade 5, so that there are at least 20 consecutive minutes of free-play recess per day.

- ***Emergency Operations Plan***
  Student and employee safety is an utmost priority of the Miami-Dade County Public School (M-DCPS) System. The District Emergency Operations Plan (EOP) was created to provide District staff, school administration and personnel with the knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods

for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, and bomb drills), the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary, the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- Students will not be released during a lockdown. If you need to pick up your child wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors, and all MDSPD Police officers have been trained on the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

- ***Fire Drills (Evacuation Drills)***
  Evacuation drills will take place during the school year in accordance with the National Fire Protection Association 101 Life Safety Code. When the fire alarm activates, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly using the prescribed route. Any student who is in the hallway or the restroom must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- ***Standard Response Protocol***
  During the Fall of the 2023-2024 school year, Miami-Dade County Public Schools adopted the Standard Response Protocol and uses the Standard Response Protocol (SRP) to communicate during emergencies or critical incidents. The SRP is a set of five actions using clear common language that everyone in our school, including students and staff, follow in case of an emergency or critical incident. These actions are HOLD, SECURE, LOCKDOWN, EVACUATE, and SHELTER. Refer to the Appendix to access the SRP Parent/Guardian flyer (Appendix "F"). In addition, parents/guardians can also access the SRP flyer in the parent portal.

- **Behavioral Threat Management**
  Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat management overseen by a District Threat Management Coordinator. Schools must establish School-Based Threat Management Teams comprised of an administrator, counselor, teacher, and law enforcement officer. The schools utilize a problem-solving approach to harm prevention that involves assessment and intervention with students who threaten violence or harm. When a preliminary determination is made, that a student poses a threat of violence the team shall further convene to determine the best course of action. Authorized members of the team may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health

services as applicable. Threat management and disciplinary procedures are separate processes. Regardless of whether a threat is determined to low medium and high, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

- ***Visitors***
  Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome to visit a school, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. All visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

School Activities/Clubs
All School Activities, clubs, and organizations must be approved by the principal and conform to the School Board Policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

- ***Clubs***
  Miami-Dade County Public Schools' students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

  Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the schools curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurricular-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

School Center for Special Instructions (SCSI)
School administrators may elect to assign students to the School Center for Special Instruction (SCSI) as an interim alternative educational setting to suspension from school. SCSI is designed to provide strategies and resources to students focused on learning new behavior skills. When misconduct in a class results in an assignment to SCSI, the student should be reassigned from only the class in which the misconduct occurred. Continued misconduct can result in the reassignment from all classes.

School Class Picture Process
School class picture monies are not collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer's staff.

At no time shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

School Transportation

Miami-Dade County Public Schools will transport approximately 35,000 students a day this school year, using a fleet of 999 buses on 800 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for students with special needs in some instances.

Before school begins, parents/guardians of all students eligible for bus transportation should log on the BusPlannerWeb and view the bus assignment. The information is updated nightly, and a link is provided on the parent portal. Parents/guardians are encouraged to check the BusPlannerWeb throughout the school year to obtain the most current information on their children's bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Student Records

The education records and personally identifiable information of students are protected by The Family Educational Rights and Privacy Act (FERPA) and the Florida Statutes. These laws provide that without the prior consent of the parent, guardian, or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.

Each school must provide to the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

APPENDIX F – Standard Response Protocol

STANDARD RESPONSE PROTOCOL

INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

HOLD

"In Your Classroom or Area"

Students are trained to:
- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:
- Close and lock the door
- Account for students and adults
- Do business as usual

SECURE

"Get Inside. Lock outside doors"

Students are trained to:
- Return to inside of building
- Do business as usual

Adults and staff are trained to:
- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

LOCKDOWN

"Locks, Lights, Out of Sight"

Students are trained to:
- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:
- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

EVACUATE

"To a Location"

Students are trained to:
- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:
- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults

SHELTER

"State Hazard and Safety Strategy"

Hazards might include:
- Tornado
- Hazmat

Safety Strategies might include:
- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:
- Appropriate Hazards and Safety Strategies

Adults and staff are trained in:
- Appropriate Hazards and Safety Strategies
- Accounting for students and adults

STANDARD RESPONSE PROTOCOL

PARENT GUIDANCE

In the event of a live incident, parents may have questions about their role.

SECURE

"Get Inside. Lock outside doors"

Secure is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a secure event is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

LOCKDOWN

"Locks, Lights, Out of Sight"

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unscheduled drills, however it is highly discouraged to conduct one without announcing that it as a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

It's important to differentiate between a **drill** and an exercise. A drill is used to create the "Muscle Memory" associated with a practiced action. There is no simulation of an event; this is simply performing the action. An exercise simulates an actual event to test the capacity of personnel and equipment.
